City-County Consolidation and Its Alternatives: Reshaping ...

In United States local government, a consolidated city-county is a city and county that have been merged into one unified jurisdiction. As such it is simultaneously a city, which is a municipal corporation, and a county, which is an administrative division of a state. It has the powers and responsibilities of both types of entities.

Consolidated city-county - WikiMilli, The Free Encyclopedia

A consolidated city-county is different from an independent city, although the latter may result from consolidation of a city and a county and may also have the same powers as a consolidated city-county. An independent city is a city not deemed by its state to be located within the boundary of any county and recognized by its state as a legal territorial entity separate from surrounding or ...

Consolidated city-county - Wikipedia

Consolidation: It's Not Government Structure That Matters, It's Leadership. Posted by Smart City Memphis | Aug 17, 2020 | City of Memphis Government, Economic Development, Shelby County government | 0. Thumbnail: While the results of the current poll about consolidation makes for interesting cocktail conversation, a campaign to merge city and county governments is a distraction that keeps us from dealing with issues that matter.
