Communication Rx Transforming Healthcare Through  
Communication is a two-way process and it can improve health diagnoses, treatment schema, patient compliance and success and other things. In the U.S., it may grab a healthcare professional ' s attention to note that good communications can reduce errors, which in turn can reduce malpractice risks and all the costly unpleasantness that follows.

Communication Rx: Transforming Healthcare Through ...

The key to better healthcare outcomes is communication. Over the past four decades, the Academy of Communication in Healthcare has worked tirelessly with health systems, teaching communication skills that put relationships--between patients and providers, as well as among providers--at the center of care.

---

Communication Rx: Transforming Healthcare Through ...  
Nothing impacts healthcare experiences more than the quality of communication. Research clearly points to the benefit of better communication: more accurate diagnoses, fewer errors, reduced malpractice risks, better patient adherence to treatment, lower hospital readmission rates, reduced costs, increased satisfaction, and improved experiences for patients and providers alike—in other words, better healthcare outcomes.
