"Convict Conditioning is a refreshing book on strength. While there are many books on the topic of body weight conditioning, very few focus on true strength through body weight movements. This is not another book on how to do 50 pushups; this is a book to learn how to do One Arm Handstand Pushups, One-legged Squats, or how about One Arm Pull Ups? Truly the stuff of comic books, but completely attainable with a crystal clear progression plan.
