The Curse of Xanathon is an unusual module, in that much of the players'actions will be in the form of detective work, as they try to discover clues to the problem plaguing the town. Once they have located these clues, they will have to decide on a proper course of action. If they make

Expert Set Adventure Module Curse of Xanathon

Curse of Xanathon is the third adventure module put out for TSR's Expert expansion for Basic Dungeons and Dragons, and is designated X3. As is typical of the Basic modules, the cover is not attached to the interior contents, allowing it to be set up as a DM screen. The front cover has a green background with a painting of a group of adventurers facing off against a chimera in a cave, the back cover has a brief teaser for the adventure, and the interior cover has a map of the town of Rhoona.
