Encore 50/50 — Home | Facebook

The Encore 50 is up against some fabulously built products at this price level, and anything less than immaculate isn't good enough. Once set-up properly – in free space with a touch of toe-in – these speakers continue to produce mixed results. They go loud, very loud in fact, without struggling. They're rated at 500 Watts power handling, and that's easy to believe. Listening to Tinchy ...
