## **The Pursuit of History - John Tosh - Google Books**

The Pursuit of History is a general overview of what history is, the specific fields of history, and the various methods used by historians in studying in those fields. John Tosh's purpose in writing the book is to show that “the most accurate history possible is a social necessity” (xv). The book “concludes by asserting that historians will continue to merit the support of the societies in which they work as long as they acknowledge the validity of relevant history” (xv).
