Online Library Library And Information Center Management Robert D Stueart

In the modern information society, libraries and information centres have a new role to play. This is due to increasing use of web-based information sources and electronic services. Libraries are also being managed in a more democratic way due to flexible communication system and efficient work organisation.

LIBRARY AND INFORMATION CENTRES : CONCEPT AND ROLE IN ...

Library management is a sub-discipline of institutional management that focuses on specific issues faced by libraries and library management professionals. Library management encompasses normal managerial tasks, as well as intellectual freedom and fundraising responsibilities. Issues faced in library management frequently overlap with those faced in managing non-profit organizations. The basic functions of library management include, but are not limited to: planning and negotiating the acquisition
