Girls And Bishie Boys by ...

Grade 6 Up—This crisply illustrated work aims to give aspiring cartoonists the basics of drawing as well as some of the trademark stylistic elements of the increasingly popular shojo style of romance manga. This work starts off with the basics of figure drawing, character design, and facial expressions for both female and male characters; special care is given to explain the details of creating those luminous eyes so popular in Japanese comics.

Shoujo manga is one of the most popular styles of Japanese animation, featuring the most recognizable characters in manga—seen everywhere in comics, books, toys, television, film, and video. Since shoujo is based on stories that focus on peer pressure, romance, and friendship, it initially appealed to young females, but today more and more boys are attracted to this genre, which inevitably includes young male heroes.
