Skeleton has a problem! In this playful Halloween story, he has the hiccups and he doesn't know what to do. Can his friend Ghost help him?

Skeleton Hiccups by Margery Cuyler | Scholastic
Skeleton Hiccups is truly an original, and the artwork is the shining star. The images are creative, and hilarious! S.D. Schindler's work, the same illustrator of the famed Big Pumpkin, is fresh and creative. For instance, Skeleton's bed has a headstone headboard with R.I.P. craved into the back.

Skeleton Hiccups book by Margery Cuyler - ThriftBooks
With a bad case of the hiccups, Skeleton found that his everyday tasks, from brushing his teeth to polishing his bones, were far more difficult to accomplish. He tried everything he could think of, and everthing his friend Ghost suggested, to rid himself of this tiresome affliction, but nothing seemed to work.

Amazon.com: Customer reviews: Skeleton Hiccups
Having hiccups can be bone rattling enough for those of us held together with skin. In the shower, Skeleton (hic hic) looses his soap, his jaw flies off while (hic hic) brushing his teeth, and his arm becomes undone (hic hic) during bone polishing. Raking leaves and pumpkin carving are also compromised due to those nasty hiccups.
