55+ Baseball Trivia Questions with Answers(quiz)

One other favorite sound of many people at a baseball game is the crack of the bat when it hits a ball. Usually, fans recognize that sound as something good happening for their team: a base hit, or maybe even a home run. The pitcher throws his baseball towards home plate. The batter quickly decides if he should swing or not.

...

The sound your bat makes doesn't matter at all. I have three bats, two metal and a wood. My two metals make completely different sounds. I like the one that makes the sound of a wood bat more but that is only because it is heavier. It doesn't matter but make sure to get a bat that fits into your leagues restriction
