The Storm Before the Storm tells the story of the beginning of the end of the Roman Republic--the story of the first generation that had to cope with the dangerous new political environment made possible by Rome's unrivaled domination over the known world. The tumultuous years from 133-80 BCE set the stage for the fall of the Republic.

COMMON You describe a very quiet period as the calm before the storm or the lull before the storm if it is followed by a period of trouble or intense activity. Things are relatively relaxed at the moment, but I think it's probably the calm before the storm. The Emergency Department is fairly quiet, the lull before the storm.
